

# Lab-10

## Programming in Python

python

Instructor : AALWAHAB DHULFIQAR

Advisor : Dr. Tejfel Mate

### What you will learn

Linear regression in python

Decision Tree Classification

Evaluating Fit Errors in Linear Regression

Internet Traffic Data Linear Regression

Page #	Activity Type	Activity Name
4.1.1.6	Interactive Activity	Identify machine Learning Terms
4.1.2.4	Lab	Simple Linear Regression in Python
4.1.3.5	Lab	Decision Tree Classification
4.2.2.5	Interactive Activity	Identify the Types of Errors
4.2.2.6	Lab	Evaluating Fit Errors in Linear Regression
4.3.1.4	Lab	Internet Meter Linear Regression
4.3.2.4	Lab	Internet Meter Anomaly Detection

See you Next week 😊
